Date Mfr Request Submitted to ODI	IR Question #	Extension Date Requested	Extension Date Granted	Justification
Nov 25, 2024	Q2	Dec 20, 2024	Dec 20, 2024	Due to the large number of models/model-years & the general nature of the complaints, the result is a large set of data requiring manual filtering. The time required to perform the data search, manually filter, organize & fill-in various requested data fields from various data sources, requires additional time than the given 3 wks. Several days were taken-up to clarify the search criteria with NHTSA. Also, the Thanksgiving Holiday is within the given response timing.
