Re: PE24-017; Response to Information Request

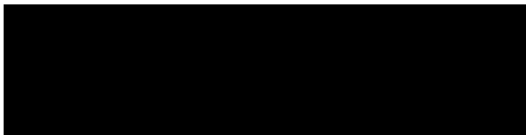

Dear Mr. York,

Enclosed is Nissan's response to the referenced NHTSA Information Request of June 27, 2024, concerning the Agency's investigation into allegations of inadvertent deployment of the side airbags and the side curtain airbags in certain model year (MY) 2015 Rogue Select vehicles manufactured by Nissan North America (Nissan), and to request certain information. By email dated August 8, 2024, NHTSA granted an extension of time through September 9, 2024, for Nissan to respond to certain requests that require additional analysis. The attached reply supplements the partial response Nissan submitted on August 14, 2024.

The attached reply responds by first stating each question, then the response. Pursuant to NHTSA's instructions enclosed with the Information Request, Nissan is concurrently submitting a copy of its request to Chief Counsel's Office for confidential treatment of materials containing confidential business information along with copies of both versions of the subject files (confidential and redacted versions).

Please contact us if you have any questions.

Sincerely,

Wilbert Swindell
Manager
