These documents contain information related to investigation and analysis conducted by Bosch, along with information related to the design of the Bosch components and information shared with FCA US LLC.

(3) I hereby request that the information contained in the indicated documents be protected on a permanent basis;

(4) This certification is based on the information provided by the responsible **Bosch** personnel who have authority in the normal course of business to release the information for which a claim of confidentiality has been made to ascertain whether such information has ever been released outside **Bosch**;

(5) Based upon that information, to the best of my knowledge, information and belief, the information for which **Bosch** has claimed confidential treatment has never been released or become available outside **Bosch**, except to FCA US LLC (formerly Chrysler Group LLC) and certain contractors of **Bosch** and/or FCA US LLC with the understanding that such information must be maintained in strict confidence;

(6) I make no representations beyond those contained in this certificate and, in particular, I make no representations as to whether this information may become

available outside **Bosch** because of unauthorized or inadvertent disclosure (except as stated in paragraph 5); and

(7) I certify under penalty of perjury that the foregoing is true and correct.

Executed on this 25th day of April, 2025.

I certify under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
