CONTRACT AND AGREEMENT TO PAY

You, the Buyer and any Co-Buyer, agree to purchase the vehicle described above on the terms in this contract.

You agree to pay us (or our assignee) the amount financed, the finance charge, and all other amounts owed to us under this contract, according to the payment schedule above and the terms of this contract. We calculate the finance charge, total of payments, and total sale price on the assumption that you will make every payment on the day it is due. Because the finance charge is calculated on a daily basis on the unpaid part of the amount financed, your finance charge, total of payments, and total sale price will be more if you pay late and less if you pay early. These changes may take the form of a larger or smaller final payment, or, at our option, more or fewer payments of the same amount as your scheduled payment, with a smaller final payment.

If payment is not received in full within 10 days after it is due, you agree to pay a late charge of \$15.

If you pay off early, we are entitled to a minimum finance charge of \$ N/A.

If you pay with a check or other instrument that is dishonored or returned, you will pay us a fee of \$25 (if the amount financed is \$75,000 or less) or \$20 (if the amount financed exceeds \$75,000 or is not for personal, family, or household use).

SECURITY AGREEMENT

You give us a security interest in the vehicle described in this contract and all parts or goods installed in it, all money or goods received (proceeds) for the vehicle; all insurance, maintenance, service, or other contracts we are financing for you as part of this purchase; and all proceeds from insurance, maintenance, service, or other contracts we are financing for you as part of this purchase. This includes any refunds of premiums or charges from the contracts. This interest secures payment of all you owe on this contract. It also secures your other agreements in this contract. You agree to make sure that the title shows our security interest (lien) in the vehicle.
