Service Charge. The Service Charge covers or defrays some of Dealer's service department overhead costs, including, but not limited to, shop supplies, employee safety measures and training, and waste disposal and handling, many of which do not lend themselves to precise itemization or allocation. Not all repair or service transactions will cause Dealer to incur all of the costs defrayed by the Service Charge. The Service Charge may include Dealer profit. The Service Charge is not a government required fee.
