Hello [REDACTED],

Here is a breakdown of the repair estimates for the engine replacement -

Parts - [REDACTED] + tax

Labor - [REDACTED]

Total - [REDACTED] + tax

As of right now I do not have a tracking for the engine. It does not show that the order has been fulfilled yet but is still showing the same arrival estimate of [REDACTED] (10-15 business days). I'll keep my eye on it and let you know when there is an update.

Let me know if you have any questions.

Thank You,

Joseph Wilson
