- Today's Date is March 5, 2025
- **I am providing a Final Repair Notice**
- As you may or may not be aware, it has been **confirmed** today, 3/5/25 that the **motor requires replacement** due to many issues, mainly the rod bearings failing. In which is most likely the reason I was having loss of power, knocking, and significant clutch slipping sounds in the motor. Many previous service attempts have been made including but not limited to 9/23/24, 11/11/24, and 1/16/25, and 3/3/25.
- The vehicle has been in and out of the shop approximately thirty days now and with no expected timeframe to return as motors are on back order.
- 2024, Chevrolet, Suburban, High Country
- VIN –
