Warranties for any parts are limited to those offered by manufacturer; all other warranties, express or implied, including merchantability, fitness for particular purpose, are disclaimed. Manufacturers have a limited warranty for defective manufacturer parts. The Dealership guarantees labor for 90 days or 4,000 miles, whichever occurs first. Dealership is not responsible for loss/damage to vehicle or personal property caused by fire, theft, causes beyond Dealership control, or delay in parts availability/shipment; Dealership is not responsible for consequential damages, loss of time, profit, or income.

Payment is due prior to release of vehicle. Insurance or warranty company payment must be confirmed prior to work. I authorize (i) insurer to make payments directly to Dealership, and (ii) Dealership to endorse payments in my name and deposit in Dealership's account. Charges to business or personal accounts must be approved by Dealership.

I authorize the following additional charges: (i) shop fee of 12% of total RO up to \$65.00, for cleaners, fluid, bolts, wires, hazardous waste disposal, and other similar items; (ii) up to \$5.00 for record retention/document archive/service history; (iii) 10% interest on unpaid balance 2 weeks from completion of work; (iv) \$40.00/day storage after 2 weeks.

Dealership may retain possession of my vehicle until full payment is made. A repairman's lien may be placed on vehicle for unpaid services, storage, costs and fees (including attorney fees), which may be foreclosed under Utah law. If I do not pay and retake possession of my vehicle within thirty (30) days from completion, such failure on my part will be deemed an abandonment of my vehicle and the Dealership is authorized to arrange for a private impound. If entity, I have authority to sign and pay on behalf of the entity.

Non-GM Parts/Accessories installed by the Dealer. Non-GM parts and accessories are not covered under the GM New Vehicle Limited Warranty. They also may damage the vehicle, compromise its compliance with safety standards or void the GM Warranty on the vehicle itself. GM is not responsible for the consequences of installing any non-GM equipment, parts or accessories on the vehicle. A list of non-GM parts is available to you upon request.
