*Every customer situation must be evaluated on a case-by-case basis. If you are seeking to adjust the calculated balance by more than your dealer empowerment allows, GM Pre-Approval must be obtained via the Dealer Aftersales Empowerment portal.

IMPORTANT: Enter the calculated balance (or adjusted balance, if applicable) in the Customer/Service Agent Participation field of the warranty claim.

Please note, the amount entered as "customer/service agent participation" on the transaction will differ from the actual customer/dealer amounts paid on the customer repair order if dealer is charging the customer in excess of warranty rates. See Bulletin 11-00-89-005 for details.

Dealers must print this document and attach it to the physical repair order and retain in vehicle history file. A copy must be attached to the submitted Policy transaction.
