Describe any extended warranty coverage option(s) that Ford offered for the subject and peer vehicles and state by option, model, and model year, the number of vehicles that are covered under each such extended warranty.

Answer

For 2011-2019 model year Flex, the New Vehicle Limited Warranty, Bumper-to-Bumper Coverage began at the warranty start date and lasted for three years or 36,000 miles, whichever occurred first.

There were no Optional Extended Service Plans (ESPs) available to cover the B-pillar trim panels.
