Hi this is Angela from Enterprise, I'm just reaching out to see what day you are planning to return the rental. Please let me know so we can update your contract. Thank you

I want to say Friday. However, Chrysler would like an invoice today, for the charges until today. Can you provide me that?

We can't provide an invoice until the rental is returned since it's an open contract. I can extend you to Friday and send an updated rental agreement
