INFORMATION REDACTED PURSUANT TO THE FREEDOM OF INFORMATION ACT (FOIA), 5 U.S.C. 552(B)(6)

Document Type	Document Description	Reason for Confidential Treatment
Critical Concern Review Group (CCRG)	Documents generated by the CCRG containing information regarding potential critical product concerns or potential compliance concerns.	Information concerning Ford's confidential business practices concerning methods for recognizing, determining root cause, preventing future concerns, and other commercially sensitive information concerning Ford's internal business processes was developed at the expense of Ford, and could be used by competitors to improve their own products and processes without the need to invest the substantial resources invested by Ford.
Root Cause Analysis	Internal studies by Ford Motor Company engineers, or on behalf of Ford Motor Company by a third party vendor or supplier conducted in an effort to determine the root cause of the alleged defect which is the basis of this investigation.	Information concerning assessments and evaluations conducted by suppliers or Ford could be used by competitors to improve or modify their products, processes, or supplier base without the need to invest the substantial resources invested by Ford to develop the information.
