NHTSA ODI Polestar 2 Backup Camera – Information Request
Version 1

Date 2025-08-29

Polestar Automotive USA received an Information Request (ID RQ25004-01) from the Office of Defects Investigation (ODI) at the National Highway Traffic Safety Administration (NHTSA), on the 18th of July 2025, regarding an opened Recall Query (RQ25004) to investigate allegations of loss of rear-view camera image following the implementation of the remedy outlined in Recall 25V-280 in Model Year (MY) 2021-2025 Polestar 2 vehicles.

The inquiry:

"July 18, 2025

Dan Doku
Polestar Automotive USA, Inc.
933 MacArthur Blvd
Mahwah, NJ 07430

Subject: Information Request ID RQ25004-01

Dear Mr. Doku

This letter is to inform you that the Office of Defects Investigation (ODI) of the National Highway Traffic Safety Administration (NHTSA) has opened a Recall Query (RQ25004) to investigate allegations of loss of rear-view camera image following the implementation of the remedy outlined in Recall 25V-280 in Model Year (MY) 2021-2025 Polestar 2 vehicles manufactured by Polestar Automotive USA, Inc. (Polestar), and to request certain information.

This office has received 193 reports of rear-view camera image visualization problems during a backing event in MY 2021-2025 Polestar 2 vehicles. The reports cite blank, flickering, and frozen rear-view camera images when in Reverse. A list of the subject reports referenced in this letter are provided in Enclosure 2.

Unless otherwise stated in the text, the following definitions apply to these information requests:

- **Subject vehicles** : all MY 2021-2025 Polestar 2 vehicles manufactured for sale or lease in the United States, including, but not limited to, the District of Columbia, and current U.S. territories and possessions.
- **Subject component** : all rear-view backup cameras, camera displays, camera wiring, and any camera related hardware or software on the subject vehicles.
- **Alleged defect** : rear-view camera display exhibiting visualization malfunctions including but not limited to: image loss, flickering, freezing, Camera Unavailable warnings during a backing event.
- **Polestar** : Polestar Automotive USA, Inc., and any parent companies / holding groups (foreign and domestic), all of their past and present officers and employees, whether assigned to their principal offices or any of their field or other locations, including all of their divisions, subsidiaries (whether or not incorporated) and affiliated enterprises and all of their headquarters, regional, zone and other offices and their employees, and all agents, contractors, consultants, attorneys and law firms and other persons engaged directly or indirectly (e.g., employee of a consultant) by or under the control of Polestar (including all business units and persons previously referred to), who are or were involved in any way as of January 1, 2018, with any of the following related to the alleged defect in the subject vehicles:
 - Design, engineering, analysis, modification or production (e.g., quality control);
 - Testing, assessment or evaluation;
 - Consideration, or recognition of potential or actual defects, reporting, record-keeping and information management, (e.g., complaints, field reports, warranty information, part sales), analysis, claims, lawsuits or arbitrations; or
 - Communication to, from or intended for zone representatives, fleets, dealers, or other field locations, including but not limited to people who have the capacity to obtain information from dealers.

- Document** : “Document(s)” is used in the broadest sense of the word and shall mean all original written, printed, typed, recorded, or graphic matter whatsoever, however produced or reproduced, of every kind, nature, and description, and all non-identical copies of both sides thereof, including, but not limited to, papers, letters, memoranda, correspondence, communications, electronic mail (e-mail) messages (existing in hard copy and/or in electronic storage), faxes, mailgrams, telegrams, cables, telex messages, notes, annotations, working papers, drafts, minutes, records, audio and video recordings, data, databases, other information bases, summaries, charts, tables, graphics, other visual displays, photographs, statements, interviews, opinions, reports, newspaper articles, studies, analyses, evaluations, interpretations, contracts, agreements, jottings, agendas, bulletins, notices, announcements, instructions, blueprints, drawings, as-builts, changes, manuals, publications, work schedules, journals, statistical data, desk, portable and computer calendars, appointment books, diaries, travel reports, lists, tabulations, computer printouts, data processing program libraries, data processing inputs and outputs, microfilms, microfiches, statements for services, resolutions, financial statements, governmental records, business records, personnel records, work orders, pleadings, discovery in any form, affidavits, motions, responses to discovery, all transcripts, administrative filings and all mechanical, magnetic, photographic and electronic records or recordings of any kind, including any storage media associated with computers, including, but not limited to, information on hard drives, floppy disks, backup tapes, and zip drives, electronic communications, including but not limited to, the Internet and shall include any drafts or revisions pertaining to any of the foregoing, all other things similar to any of the foregoing, however denominated by Polestar, any other data compilations from which information can be obtained, translated if necessary, into a usable form and any other documents. For purposes of this request, any document which contains any note, comment, addition, deletion, insertion, annotation, or otherwise comprises a nonidentical copy of another document shall be treated as a separate document subject to production. In all cases where original and any non-identical copies are not available, “document(s)” also means any identical copies of the original and all non-identical copies thereof. Any document, record, graph, chart, film or photograph originally produced in color must be provided in color. Furnish all documents whether verified by Polestar or 2 not. If a document is not in the English language, provide both the original document and an English translation of the document.
- Other Terms**: To the extent that they are used in these information requests, the terms “claim,” “consumer complaint,” “dealer field report,” “field report,” “fire,” “fleet,” “good will,” “make,” “model,” “model year,” “notice,” “property damage,” “property damage claim,” “rollover,” “type,” “warranty,” “warranty adjustment,” and “warranty claim,” whether used in singular or in plural form, have the same meaning as found in 49 C.F.R. § 579.4.

In order for my staff to evaluate the alleged defect, certain information is required Pursuant to 49 U.S.C. § 30166, please provide numbered responses to the following information requests. Insofar as Polestar has previously provided a document to ODI, Polestar may produce it again or identify the document, the document submission to ODI in which it was included and the precise location in that submission where the document is located. When documents are produced, the documents shall be produced in an identified, organized manner that corresponds with the organization of this information request letter (including all individual requests and subparts). When documents are produced and the documents would not, standing alone, be self-explanatory, the production of documents shall be supplemented and accompanied by explanation.

Please repeat the applicable request verbatim above each response. After Polestar’s response to each request, identify the source of the information and indicate the last date the information was gathered.”

Legal Authority for This Request

This letter is being sent to Polestar pursuant to 49 U.S.C. § 30166, which authorizes NHTSA to conduct any investigation that may be necessary to enforce Chapter 301 of Title 49 and to request reports. It constitutes a new request for information.

Civil Penalties

Polestar's failure to respond promptly and fully to this letter could subject Polestar to civil penalties pursuant to 49 U.S.C. § 30165 or lead to an action for injunctive relief pursuant to 49 U.S.C. § 30163. (Other remedies and sanctions are available as well.) The Vehicle Safety Act, 49 U.S.C. § 30165(a)(3), provides for civil penalties of up to \$27,874 per violation per day, with a maximum of \$139,356,994 for a related series of daily violations, for failing or refusing to perform an act required under 49 U.S.C. § 30166. See 49 C.F.R. § 578.6(a)(3). This includes failing to respond completely, accurately, or in a timely manner to ODI information requests.

If Polestar cannot respond to any specific request or subpart(s) thereof, please state with sufficient detail in the corresponding narrative the reason why it is unable to do so. Redactions within a document containing responsive information are not permitted in the normal course. If on the basis of attorney-client, attorney work product, or other privilege, Polestar does not submit one or more requested documents or items of information in response to this information request, Polestar must provide a privilege log identifying each document or item withheld, and stating the date, subject or title, the name and position of the person(s) from, and the person(s) to whom it was sent, and the name and position of any other recipient (to include all carbon copies or blind carbon copies), the nature of that information or material, and the basis for the claim of privilege and why that privilege applies.

Confidential Business Information (CBI)

If Polestar's response contains any information that you claim is confidential business information, Polestar must submit its request for confidential treatment and any files containing CBI to NHTSA's Office of the Chief Counsel via the CBI Portal or a secure electronic file transfer link. Please see enclosure 1 for additional instructions on submitting a request for confidential treatment that is compliant with 49 C.F.R. Part 512 (specifically, a request for confidential treatment must include the four required parts that are discussed in enclosure 1). If you choose not to submit your request and files containing CBI to NHTSA's Office of the Chief Counsel via the CBI Portal, please notify the investigator referenced in this IR to ensure that the secure file transfer link for your request for confidential treatment and any files containing CBI are directed to the Office of the Chief Counsel accordingly. In addition to submitting a request for confidential treatment and files containing CBI directly to NHTSA's Office of the Chief Counsel, Polestar must also submit its request for confidential treatment, the files containing CBI, and their corresponding redacted versions directly to ODI via the Safety Defect Investigations (SDI) Portal. The requests for confidential treatment and certification documents are not confidential so these documents should be uploaded as nonconfidential files.

Please refer to RQ25004-01 in Polestar's response to this letter and in the request for confidential treatment that Polestar may submit.

Due Date

Polestar's response to this letter must be submitted to this office by August 29, 2025. If Polestar finds that it is unable to provide all of the information requested within the time allotted, Polestar must request an extension from me at (202) 366-5226 no later than five business days before the response due date. If Polestar is unable to provide all of the information requested by the original deadline, it must submit a partial response by the original deadline with whatever information Polestar then has available, even if an extension has been granted. If you have any technical questions concerning this matter, please call Justin Smith of my staff at (202) 699-6150.

Sincerely,
Gregory Magno, Chief
VDD-D Division
Office of Defects Investigation

Enclosure 1, Information for Requests for Confidential Treatment.

Enclosure 2, Subject reports referenced in the introduction of this letter

ENCLOSURE 1 – INFORMATION FOR REQUESTS FOR CONFIDENTIAL TREATMENT

If you believe that your response contains any material that you claim is confidential business information, submit these materials to NHTSA's Office of the Chief Counsel in accordance with 49 C.F.R. Part 512. **All requests for confidential treatment must be submitted directly to the Office of the Chief Counsel via the Confidential Business Information (CBI) Portal or a secure file transfer link for your submission addressed to the Office of the Chief Counsel. If you are not currently registered for the CBI Portal, you may send a registration request to cbi-helpdesk@dot.gov. In addition to directly submitting the files to the Office of the Chief Counsel, you will also need to submit your request, the files containing CBI, and their corresponding redacted versions directly to ODI through the Safety Defect Investigations (SDI) Portal.**

Requests for confidential treatment are governed by Part 512. A current version of this regulation is available on the internet at <http://www.ecfr.gov> by selecting Title 49 "Transportation," selecting "Parts 500 – 599" and then selecting Part 512 "Confidential Business Information."

How to request confidential treatment:

NHTSA is currently treating electronic submission as an acceptable method for submitting confidential business information to the agency under Part 512. If you claim that any of the information or documents provided in your response constitutes confidential business information within the meaning of 5 U.S.C. § 552(b)(4), or are protected from disclosure pursuant to 18 U.S.C. § 1905, you must submit the information or documents directly to the Office of Chief Counsel via the CBI Portal or request a secure file transfer link from the ODI contact listed in your Information Request. You must submit supporting information together with the materials that are the subject of the confidentiality request, in accordance with Part 512, to the Office of the Chief Counsel. Do not send a hardcopy of a request for confidential treatment to NHTSA's headquarters.

Your request must include a request letter that contains supporting information, pursuant to Part 512.8. Your request must also include a certificate, pursuant to Part 512.4(b) and Part 512, Appendix A.

You are required to submit one unredacted "confidential version" of the information for which you are seeking confidential treatment. Pursuant to Part 512.6, the words "ENTIRE PAGE CONFIDENTIAL BUSINESS INFORMATION" or "CONFIDENTIAL BUSINESS INFORMATION CONTAINED WITHIN BRACKETS" (as applicable) must appear at the top of each page containing information claimed to be confidential. In the latter situation, where not all information on the page is claimed to be confidential, identify each item of information for which confidentiality is requested within brackets: "[]."

You are also required to submit one redacted "public version" of the information for which you are seeking confidential treatment. Pursuant to Part 512.5(a)(2), the redacted "public version" should include redactions of any information for which you are seeking confidential treatment (i.e., the only information that should be unredacted is information for which you are **not** seeking confidential treatment).

For questions about a request for confidential treatment, please contact Dan Rabinovitz in the Office of the Chief Counsel at Daniel.Rabinovitz@dot.gov or (202)366-8534.

Polestar Response

To: **Gregory Magno**
Chief
Vehicle Defects Division D
Office of Defects Investigation
National Highway Traffic Safety Administration
Department of Transportation

Dear Mr. Magno:

Thank you for your inquiry regarding the backup camera on our Polestar 2 models. We are pleased to provide you with the information you requested regarding questions 1, 6, 7, 8, 9 and 12 in your information request. Replies to the remaining IR questions will be provided on or before October 6th, as agreed in the extension request.

Request 1

State, by model and model year, the number of subject vehicles Polestar has manufactured for sale or lease in the United States. Separately, for each subject vehicle manufactured to date by Polestar, state the following:

- a. Vehicle identification number (17-character VIN);
- b. Model;
- c. Model Year;
- d. Date of manufacture (MM/DD/YYYY);
- e. Date warranty coverage commenced (MM/DD/YYYY); and
- f. The State in the United States where the vehicle was originally sold or leased, or delivered for sale or lease (postal abbreviation).

Provide the table in Microsoft Access 2010, or a compatible format, entitled "PRODUCTION DATA."

Polestar reply 1:

See provided document named "PS2 US PRODUCTION DATA.csv".

Request 2

State the number of each of the following, received by Polestar, or of which Polestar is otherwise aware, which relate to, or may relate to, the alleged defect in the subject vehicles:

- a. Consumer complaints, including those from fleet operators;
- b. Field reports, including dealer field reports;
- c. Reports involving a crash, injury or fatality;
- d. Property damage claims; and
- e. Third-party arbitration proceedings, both pending and closed, where Polestar is or was a party to the arbitration; and
- f. Lawsuits, both pending and closed, in which Polestar is or was a defendant or codefendant.

For subparts "a" through "f," state the total number of each item (e.g., consumer complaints, field reports, etc.) separately. Multiple incidents involving the same vehicle are to be counted separately. Multiple reports of the same incident are also to be counted separately (i.e., a consumer complaint and a field report involving the same incident in which a crash occurred are to be counted as a crash report, a field report and a consumer complaint).

In addition, for items "c" through "f" provide a summary description of the alleged problem and causal and contributing factors and Polestar's assessment of the problem, with a summary of the significant underlying facts and evidence. For items "e" and "f," identify the parties to the action, as well as the caption, court, docket number, and date on which the complaint or other document initiating the action was filed.

Polestar reply 2:

Answer to be provided on October 6th.

Request 3

Separately, for each item (complaint, report, claim, notice, or matter) within the scope of your response to Request No. 2, state the following information:

- a. Polestar's file number or other identifier used;
- b. The category of the item, as identified in Request No. 2 (i.e., consumer complaint, field report, etc.);
- c. Vehicle owner or fleet name (and fleet contact person), email address and telephone number (please use distinct fields for each data type);
- d. Vehicle owner or fleet street address, city, state (postal abbreviation), and ZIP code (please use distinct fields for each data type);
- e. Vehicle's 17-character VIN;
- f. Vehicle's model and model year (please use distinct fields for each data type);
- g. Vehicle's mileage at time of incident (numeric data type);
- h. Incident date (MM/DD/YYYY);
- i. Software version at time of incident;
- j. Consumer allegation;
- k. Report or claim date (MM/DD/YYYY);
- l. Whether a crash is alleged;
- m. Whether property damage is alleged;
- n. Number of alleged injuries, if any; and
- o. Number of alleged fatalities, if any.

Provide this information in Microsoft Access 2010, or a compatible format, entitled "REQUEST NUMBER TWO DATA."

Polestar reply 3:

Answer to be provided on October 6th.

Request 4

Produce copies of all documents related to each item within the scope of Request No. 2. Organize the documents separately by category (i.e., consumer complaints, field reports, etc.) and describe the method Polestar used for organizing the documents. Describe in detail the 4 search methods and search criteria used by Polestar to identify the items in response to Request No. 2.

Polestar reply:

Answer to be provided on October 6th.

Request 5

State, by model and model year, a total count for all of the following categories of claims, collectively, that have been paid by Polestar to date that relate to, or may relate to, the alleged defect in the subject vehicles: warranty claims; extended warranty claims; claims for good will services that were provided; field, zone, or similar adjustments and reimbursements; and warranty claims or repairs made in accordance with a procedure specified in a technical service bulletin or customer satisfaction campaign. Separately, for each such claim, state the following information:

- a. Polestar's claim number;
- b. Vehicle owner or fleet name (and fleet contact person), email address and telephone number (please use distinct fields for each data type);
- c. Vehicle owner or fleet street address, city, state (postal abbreviation), and ZIP code (please use distinct fields for each data type);
- d. 17-character VIN;
- e. Repair date (MM/DD/YYYY);
- f. Vehicle mileage at time of repair (numeric data type);
- g. Repairing dealer's or facility's name, telephone number, city and state or ZIP code (please use distinct fields for each data type);
- h. Labor operation number(s);
- i. Problem code(s);
- j. Diagnostic trouble code(s);
- k. Replacement part number(s) and description(s);
- l. Concern stated by customer;
- m. Cause as stated on the repair order;
- n. Correction as stated on the repair order; and

- o. Additional comments, if any, by dealer/technician relating to claim and/or repair. Provide this information in Microsoft Access 2010, or a compatible format, entitled "WARRANTY DATA."

Polestar reply:

Answer to be provided on October 6th.

Request 6

Describe in detail the search methods and search criteria used by Polestar to identify the claims in response to Request No. 5, including the labor operations, problem codes, diagnostic trouble codes, part numbers and any other pertinent parameters used.

Polestar reply:

All warranty and technical goodwill repairs are handled and paid for through Polestars warranty system, which is one single source.

The source contains the following claim types related to Polestar products, which were all searched for related claims:

Claim Type	Description
0112PS	12-Month Unlimited Miles Adjustment Warranty
0148PS	48 Month or 50,000 Mile Factory Warranty
03PS	60 Month unlimited miles SRS and Seatbelt Warranty
30144PS	144 Month Unlimited Mile Corrosion Perforation Warranty
BEV8YPS	96 Month or 100,000 Mile (whichever comes first) Battery and Motor Warranty
01PS	24-Month unlimited miles Wrap and Stripe Warranty Supplement
SWUPGPS	Complementary Software Updates
05PS	Technical Goodwill
CPOWPS	60 Month Unlimited Miles Certified Pre-Owned Warranty

Ways of data extraction:

Four different ways of filtering to catch relevant jobs have been used. They are as follows:

1. Jobs where the Customer Symptom Code (CSC) was "Camera" related (there are 2 codes; 2X - Park assist camera-Does not work, 4Z - Parking Assistance Camera-No/reduced function)
2. Jobs where the word "camera" was found in the Repair Order Text.
3. Jobs with failing part description containing key words related to rear-view camera components, such as IHU, WAM and CAMERA.
4. Jobs with failing part numbers related to the rear-view camera system.

Basic Filters:

Market = United States, Model = Polestar 2

Additional filters:

Warranty_Job_Repair_Text contains "camera"

AND/OR

Failing part desc = "CONTROL UNIT (IHU)", "CONTROL UNIT (IHU), CORE", "CONTROL UNIT (IHU), EXCH", "IHU CERT RELOAD", "IHU CERTIFICATE RELOAD", "IHU RELOAD", "CAMERA", "WAM RELOAD", or "IHU RESTORATION"

AND/OR

CSC = "4Z - Parking Assistance Camera-No/reduced function" or "2X - Park assist camera-Does not work"

AND/OR

Failing part number: all partnumbers in provided document named "CITU summary 25w32 - DTC and PN.pdf"

Data verification:

After the above extraction, all data was manually reviewed, and non-related cases were removed, such as cases related to forward/side facing cameras and other part numbers not related to the alleged defect of the subject vehicles.

Request 7

Provide a list of all labor operations, labor operation descriptions, problem codes, and problem code descriptions, diagnostic trouble codes and diagnostic trouble code descriptions applicable to the alleged defect in the subject vehicles. State whether the diagnostic trouble codes are automatically reported to the warranty database electronically or manually entered into the warranty database by a claims administrator.

Polestar reply:

The following apply to the alleged defect in the subject vehicles:

Labor operation number	Description
36004	Software control module downloading - Long
36002	Software control module downloading - Short
37017	Parking Assistance Camera (PAC/WAM) replace
37018	Parking camera replace
39380	Infotainment Head Unit (IHU) replace

Problem Code	Description
2X	Park Assistance Camera - Does not work
4Z	Parking Assistance Camera - No/reduced function

Diagnostic Trouble Code	Description
WAM U1A4B00	Control Module Processor B (Heartbeat signal not received from VisionMid)
WAM C107300	Frozen Video output
WAM B130013	Video Output "A" General Electrical Failures Circuit open
IHU B156C88	No video lock – LVDS (Low-Voltage Differential Signaling) link not established
IHU 99DA96	Parking Assist Camera 3D (PAC3D) Application-Component Failures - Component internal failure

Note: The warranty database does not include the diagnostic trouble codes, they are handled and stored in a separate database specifically tailored for diagnostic readouts, and they are not tied to corresponding warranty cases.

State, by model year, the terms of the new vehicle warranty coverage offered by Polestar on the subject vehicles (i.e., the number of months and mileage for which coverage is provided and the vehicle systems that are covered). Describe any extended warranty coverage 5 option(s) that Polestar offered for the subject vehicles and state by option, model, and model year, the number of vehicles that are covered under each such extended warranty.

Polestar reply:

MY21-25 Polestar 2 Warranty remains the same between all models and configurations unless specifically noted below.

Complete Vehicle Warranties

- **12-Month Unlimited Miles Adjustment Warranty – 0112PS**
1st year warranty. Complete vehicle system coverage from manufacturer defect including wear items such as wipers and brake pads. For detailed description refer details in the attached Warranty Policy and Procedures Manual, beginning on page 20.
- **48 Month or 50,000 Mile Factory Warranty – 0148PS**
2nd – 4th year warranty. Complete vehicle coverage from manufacturer defects. For detailed description refer to details in the attached Warranty Policy and Procedures Manual, beginning on page 14.

Specific Component Warranties

- **60 Month unlimited miles SRS and Seatbelt Warranty – 03PS**
Any defect that affects the function of the SRS system (that makes the SRS light go on) will be covered by the SRS Warranty. Issues with the seatbelt not latching or the buckle being broken will be covered. For detailed description refer details in the attached Warranty Policy and Procedures Manual, beginning on page 22.

- **96 Month or 100,000 Mile (whichever comes first) Battery and Motor Warranty – BEV8YPS**
Under the High Voltage Battery Limited Warranty, the original equipment high voltage battery in a Polestar vehicle is covered against defects in parts and labor for eight (8) years or 100,000 miles/160,000 kilometers, whichever occurs first. This warranty includes vehicle motors but does not include other high voltage equipment. See attached SMB00-055P for complete details.

Paint & Body Warranties

- **24-Month unlimited miles Wrap and Stripe Warranty Supplement – 01PS**
Covering the BST230 and BST270 specifically, some vehicles were sold with a complete wrap film and/or decal stripe. This warranty specifically covers material defects to that wrap and stripe. Details can be found in the included bulletin SMB00-029P.
- **144 Month Unlimited Mile Corrosion Perforation Warranty – 30144PS**
The Polestar vehicle’s original painted body sheet metal panels are warranted to remain free of defects in design, material, or workmanship under normal use and operating conditions. For detailed description refer to details in the attached Warranty Policy and Procedures Manual, beginning on page 28.

Extended Warranties

- **60 Month Unlimited Miles Certified Pre-Owned Warranty – CPOWPS**
Includes 2220 Vehicles on CPO warranty as of August 4th, 2025. Polestar sells this warranty as part of the pre-owned sales program. This warranty was not offered as a goodwill measure. Coverage for these vehicles remains consistent regardless of propulsion or options. Model year breakdown is shown in the table below and attached SMB00-061P contains complete details of systems included or excluded.

Model Year	Number of Vehicles covered
2021	778
2022	906
2023	257
2024	279
2025	0
Total	2220

Customer Satisfaction Programs

- **Technical Goodwill - 05PS**
Occasionally, customers request financial assistance when the new car limited warranty or CPO limited warranty does not apply. These requests may be considered if they will enhance owner retention. Retailers should request financial assistance for their customers by contacting their Polestar Operations Manager and submitting a Goodwill Approval request through the Nebula Portal. For detailed description refer details in the attached Warranty Policy and Procedures Manual, beginning on page 78.
- **Complementary Software Updates – SWUPGPS**
Polestar maintains a complimentary update program to be performed upon customer request at the time of any service, without need for a customer complaint or vehicle concern. This program is not a warranty, but it is handled through the warranty system. This program covers 3 years, 36,000 miles from warranty start. For a detailed description of the program, see attached bulletin SMB00-045P.

Request 9

Produce copies of all service, warranty, and other documents that relate to, or may relate to, the alleged defect in the subject vehicles, that Polestar has issued to any dealers, regional or zone offices, field offices, fleet purchasers, or other entities. This includes, but is not limited to, bulletins, advisories, informational documents, training documents, or other documents or communications, with the exception of standard shop manuals. Also include the latest draft copy of any communication that Polestar is planning to issue within the next 120 days.

Polestar reply 9:

See all provided documents in the folder for request 9. Note that all communications and documents issued by Polestar have been related to the two recalls connected to the alleged defect in the subject vehicles.

Request 10

Describe all assessments, analyses, tests, test results, studies, surveys, simulations, investigations, inquiries and/or evaluations (collectively, "actions") that relate to, or may relate to, the alleged defect in the subject vehicles that have been conducted, are being conducted, are planned, or are being planned by, or for, Polestar. For each such action, provide the following information:

- a. Action title or identifier;
- b. The actual or planned start date;
- c. The actual or expected end date;
- d. Brief summary of the subject and objective of the action;
- e. Engineering group(s)/supplier(s) responsible for designing and for conducting the action; and
- f. A brief summary of the findings and/or conclusions resulting from the action.

For each action identified, provide copies of all documents related to the action, regardless of whether the documents are in interim, draft, or final form. Organize the documents chronologically by action.

Polestar reply 10:

Answer to be provided on October 6th.

Request 11

Describe all modifications or changes made by, or on behalf of, Polestar in the design, material composition, manufacture, quality control, supply, or installation of the subject component, from the start of production to date, which relate to, or may relate to, the alleged defect in the subject vehicles. For each such modification or change, provide the following information:

- a. The date or approximate date on which the modification or change was incorporated into vehicle production;
- b. A detailed description of the modification or change;
- c. The reason(s) for the modification or change;
- d. The part number(s) (service and engineering) of the original component;
- e. The part number(s) (service and engineering) of the modified component;
- f. Whether the original unmodified component was withdrawn from production and/or sale and if so, when;
- g. When the modified component was made available as a service component; and
- h. Whether the modified component can be interchanged with earlier production components.

Also, provide the above information for any modification or change that Polestar is aware of which may be incorporated into vehicle production within the next 120 day

Polestar reply 11:

Answer to be provided on October 6th.

Request 12

Describe Polestar's relationship with parent/sister companies, including:

- a. Where the final decision to perform a recall is made; and
- b. Initial development and ongoing updates of subject components.

Polestar reply 12:

Concerning the Polestar 2 model, Polestar Performance AB, located in Gothenburg, Sweden, is responsible for all recall and any other related field service action decisions. Volvo Car Corporation is responsible, on behalf of Polestar, for initial development, ongoing updates, production, legal compliance and certification related activities (FMVSS testing and EPA certification).

Request 13

Furnish Polestar's assessment of the alleged defect in the subject vehicles, including:

- a. The causal or contributory factor(s);
- b. The failure mechanism(s);
- c. The failure mode(s);
- d. The risk to motor vehicle safety that it poses; and
- e. What warnings, if any, the operator and the other persons both inside and outside the vehicle would have that the alleged defect was occurring, or subject component was malfunctioning; and
- f. The reports included with this inquiry.

Polestar reply 13:

Answer to be provided on October 6th.
