Kevin,

Per your request, I have attached a table including all service records for this VIN. The SDI Portal does not have any IR to respond to, so Nissan is submitting this response via email as you indicated in the message below.

Additionally, this VIN does not have any open recall campaigns. The following recalls applied to this VIN and the recall remedy was applied to this VIN on the dates below. The recall campaign identified as 07V-435 did not apply to any 2006 Nissan Frontier vehicles.

10V-517 – 11/18/2013

10V-075 – 11/18/2013

08V-690 – 11/18/2013

23E-012 – 3/14/2024

If you have additional questions, please let me know.
