SERVICE WORK ORDER TERMS AND CONDITIONS

This Work Order represents all labor and parts necessary to perform Services on your vehicle.

Service Parts Warranty

All replacement parts installed by Rivian are original new or remanufactured service parts unless stated otherwise. Rivian warrants the original new and remanufactured service parts for 24 months commencing on the date of sale or installation by a Rivian-authorized service entity. The parts replaced under the terms of this warranty shall become the property of Rivian. Tire repairs may void the limited warranty on the tires as determined by the tire manufacturer.

Replaced Parts

Rivian will retain parts replaced for non-warranty repairs for you at your request prior to signing this Work Order. Rivian will make the replaced parts available for your viewing and return them to you only upon your request. Returned parts may be subject to a core charge. Rivian reserves the right to retain parts that may pose health and safety risks or are subject to environmental or hazardous materials regulations.

Parts Sales

All over-the-counter sales of parts not installed by a Rivian-authorized service entity are final. You agree to indemnify and hold harmless Rivian from and against all claims, damages, losses, and expenses arising out of or resulting from your purchase, installation, resale, transfer, maintenance, distribution or other use of Rivian parts.

Storage Costs

You will be charged \$75.00 per day in storage charges, or the maximum allowed by law, whichever is less, for each day you fail to pick up your vehicle from Rivian's or Rivian's Service Provider's facilities, beginning one (1) business day after notification that the Services have been completed and the vehicle is available to be picked up.

Personal Items

You are responsible for removing all valuables, firearms, weapons, and other personal items from your vehicle prior to dropping your vehicle off at a Rivian-authorized service facility or having a Rivian technician perform Services on your vehicle. Rivian is not responsible for lost, stolen, or damaged personal items left in your vehicle while performing the Services.

Non-Rivian Parts and Accessories

You must remove all third-party modifications or accessories from your vehicle at your expense before service. Failure to do so may result in additional charges, and Rivian is not liable for any damage to these items during service. By bringing your vehicle in, you release and waive any claims against Rivian related to third-party modifications or accessories. Rivian reserves the right to (1) refuse service if these modifications impede proper service or repair according to Rivian's standards, and (2) charge you for the removal of any modifications that obstruct service or repair to Rivian's specifications.

Privacy

Your vehicle is equipped with connected vehicle technologies that allow Rivian to collect vehicle data as described in Rivian's Data Privacy Notice, which is incorporated herein by reference and is available at rivian.com/legal/privacy. Rivian and Rivian's Service Providers may require full access to all vehicle systems and data while performing the Services, and may enable vehicle connectivity (including Wi-Fi), as needed. Rivian may also require access to vehicle video and data in and around the vehicle, including recordings, logs, and data maintained on the vehicle itself. Rivian may also require access to video in and around the vehicle, including recordings maintained on the vehicle itself. You agree that Rivian may collect and use all vehicle and vehicle usage-related information in order to perform the Services and as set forth in our Data Privacy Notice. The vehicle is also equipped with an event data recorder (EDR). The main purpose of an EDR is to record data, in certain crash or near crash-like situations, such as airbag deployment, speed, seatbelt usage and how various systems in the vehicle were operating. You agree that Rivian may collect and use data from the vehicle's EDR as necessary in order to perform the Services. The term "Dispute" is to be given the broadest possible meaning that will be enforced and means any dispute, demand, claim, or controversy of any kind between you and Rivian, whether based in contract, tort, statute, or otherwise, including but not limited to any claim for fraud, false advertising, misrepresentation, strict products liability, negligence, breach of contract, breach of express or implied warranties, or violations of consumer protection, privacy or data security laws, that arises out of or in any way relates to (1) this agreement; (2) our relationship (including any such relationship with affiliate third parties who did not sign this Agreement); (3) the repair, purchase, sale, condition, design, or manufacturing of your vehicle; (4) Rivian products or services; (5) advertising and other communications between you and Rivian; and as applicable, (6) your credit application. **You and Rivian agree to resolve all Disputes by binding arbitration conducted by the American Arbitration Association ("AAA") in accordance with the AAA Consumer Arbitration Rules, unless you and Rivian agree otherwise.
