SERVICE ESTIMATE, WORK ORDER AND INVOICE TERMS AND CONDITIONS

This document represents all labor and parts necessary to perform requested vehicle service ("Services") on your vehicle.

Service Parts Limited Warranty

All replacement parts installed by Rivian are original new or remanufactured service parts unless stated otherwise. Rivian warrants the original new and remanufactured service parts it sells against defects that Rivian finds in materials or workmanship for 24 months commencing on the date of sale. The parts replaced under the terms of this warranty shall become the property of Rivian. Tire repairs may void the limited warranty on the tires as determined by the tire manufacturer. For purposes of clarity, this Service Parts Limited Warranty does not apply to any parts repaired or replaced under Comprehensive Warranty. Such parts repaired or replaced under Comprehensive Warranty shall be covered only until your New Vehicle Limited Warranty period ends or as otherwise provided by applicable law.

Replaced Parts

Rivian will retain parts replaced for non-warranty repairs for you at your request prior to signing this Work Order. Rivian will make the replaced parts available for your viewing and return them to you only upon your request. Returned parts may be subject to a core charge. Rivian reserves the right to retain parts that may pose health and safety risks or are subject to environmental or hazardous materials regulations.

Parts Sales

All over-the-counter sales of parts not installed by a Rivian-authorized service entity are final. You agree to indemnify and hold harmless Rivian from and against all claims, damages, losses, and expenses arising out of or resulting from your purchase, installation, resale, transfer, maintenance, distribution or other use of Rivian parts.

Storage Costs

You will be charged \$75.00 per day in storage charges, or the maximum allowed by law, whichever is less, for each day you fail to pick up your vehicle from Rivian's or Rivian's Service Provider's facilities, beginning one (1) business day after notification that the Services have been completed and the vehicle is available to be picked up or the minimum number of days allowed by law in your jurisdiction, whichever is more.

Personal Items

You are responsible for removing all valuables, firearms, weapons, and other personal items from your vehicle prior to dropping your vehicle off at a Rivian-authorized service facility or having a Rivian technician perform Services on your vehicle. Rivian is not responsible for lost, stolen, or damaged personal items left in your vehicle while performing the Services.

Non-Rivian Parts and Accessories

You must remove all third-party modifications or accessories from your vehicle at your expense before service. Failure to do so may result in additional charges, and Rivian is not liable for any damage to these items during service. By bringing your vehicle in, you release and waive any claims against Rivian related to third-party modifications or accessories. Rivian reserves the right to (1) refuse service if these modifications impede proper service or repair according to Rivian's standards, and (2) charge you for the removal of any modifications that obstruct service or repair to Rivian's specifications.
