PARKER CADILLAC, INC., DISCLAIMER OF WARRANTY - The only warranties applying to this part(s) are those which may be offered by the manufacturer. The selling dealer hereby expressly disclaims all warranties, either express or implied, including any implied warranties of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of this part(s) and/or service. Buyer shall not be entitled to recover from the selling dealer any consequential damages, damages to property, damages for loss of use, loss of time, loss of profit, or income, or any other incidental damages.

PARTS AND LABOR ARE GUARANTEED FOR 12 MONTHS OR 12,000 MILES

Environmental Compliance Charge
Maintaining and repairing your car inevitably involves the use of chemicals and generation of wastes (solvents, oils, caustics, lead, asbestos, etc) that must be sorted, managed and disposed of in strict compliance with federal, state and local environmental regulations. We support these regulations and also believe our customers do, too because they help ensure a safer, healthier environment for everyone. Complying with these regulations increases the cost of service. Ordinarily, increased costs simply result in an increased hourly labor charge. This dealership has decided in lieu of raising its labor rate, to list a compliance charge on appropriate service bills because we believe our customers would be interested to know that they are helping to pay for a cleaner environment.
