

Add details for all Goodwill Types

This is a re-issue due to first check being mailed to incorrect address: refer to goodwill 0 [REDACTED]

1. Cause: Engine

2. Status During Repairs: inoperable

3. Repair Status (not needed for Par Pre Authorization): repaired

4. Business Case: [REDACTED] has purchased 1 General Motors brand vehicles. [REDACTED] experienced engine issues when he took his vehicle to Fahrney. Fahrney GMC replaced the engine which provided resolution to the customer's vehicle concern. [REDACTED] was without his vehicle from 11/3/25 till 11/26/25 for a total of 23 days. During this time the dealership did not provide a loaner and the customer was not able to pay out of pocket for a rental. Providing the customer \$1273.30 in policy reimbursement for VPR will show the customer that General Motors stands behind their products, values customers, and will help retain this customer for years to come.
