DISCLAIMER OF WARRANTIES

"All expressed warranties, if any, by a manufacturer or supplier are theirs, not the dealers; unless otherwise provided in writing and furnished to the buyer by the dealer, Mississippi's Implied Warranty Law may give the buyer additional rights."

NOT RESPONSIBLE FOR LOSS OR DAMAGE TO CARS OR ARTICLES LEFT IN CARS IN CASE OF FIRE, THEFT OR ANY OTHER CAUSE BEYOND OUR CONTROL.

ENVIRONMENTAL COMPLIANCE CHARGE

Maintaining and repairing your car inevitably involves the use of chemicals and generation of wastes (solvents, oils, caustics, lead, asbestos, etc.) that must be stored, managed and disposed of in strict compliance with federal, state and local environmental regulations. We support these regulations and also believe our customers do too because they help ensure a safer, healthier environment for everyone. Complying with these regulations increases the cost of service. Ordinarily, increased costs simply result in an increased hourly labor charge. This dealership has decided in lieu of raising its labor rate, to list a compliance charge on appropriate service bills because we believe our customers would be interested to know they are helping to pay for a cleaner environment.

AGREEMENT TO ARBITRATION

The undersigned agrees that upon the demand of either the undersigned or the Dealer that all controversies, claims, demands and disputes between Dealer and the undersigned shall be resolved by arbitration, by filing with the American Arbitration Association a written demand for arbitration along with a statement of the matter in controversy. A copy of the demand for arbitration shall simultaneously be served upon the other party. The undersigned and the Dealer agree that the arbitration proceedings to resolve all such disputes shall be conducted in the city where the Dealer's facility is located. The undersigned and Dealer further agree that any question regarding whether a particular controversy is subject to arbitration shall be decided by the Arbitrator. The parties agree that such arbitration shall be binding.
