Re: [REDACTED]

Vehicle: 2024 Chevrolet Silverado
VIN: [REDACTED]

Dear Sir/Madam:

Please be advised that this law firm represents the legal interests of [REDACTED] relating to the purchase of the above-mentioned vehicle. Let this letter serve as notification that you immediately cease and desist all communications with our client. **The only exception is the dealership may communicate with our client in reference to current and future repairs. The dealer must also provide all necessary documentation for our client including but not limited to repair orders, sales documents and current registration.** Moreover, if you make any attempts to settle with our client without including all statutory relief, including all damages attorney fees and costs the consumer is entitled to, we may file suit against you. This letter hereby notifies you of our attorney's lien with respect to our client.

Please let this letter also serve as notification that our client's vehicle is defective. The vehicle has been brought in for repairs several times for numerous defects and although you have been afforded sufficient opportunities for repairs, the defects continue to exist and substantially impair the use and value and/or safety of the vehicle. If you are interested in any further repairs pursuant to the Lemon Law you must contact me immediately. Our client demands that you immediately take action as required by law.

This letter shall also serve as our client's Revocation of Acceptance pursuant to the Uniform Commercial Code § 2608 and notice of defect under the Lemon Law. Due to the serious defects with the Vehicle since its purchase, our client hereby demands a return of the full purchase price along with all interest paid on the finance note or a replacement vehicle as well as attorney fees and costs and incidental and consequential damages within 10 days of receipt of this letter to settle this matter prior to filing a lawsuit.

Please be advised that if you do not adhere to our demands within 10 days, our client has instructed me to file a lawsuit against you asserting claims that include, but in no way are limited to, breach of warranties, both express and implied, violation of the Magnuson Moss Warranty Act, violation of the Lemon Law, revocation of acceptance, and common law breach of contract. Please direct all future communication to my attention.

Respectfully submitted,
