

Dealer/Service Agent transition to a new IVH version is planned for October 20th. In the meantime, Global Connect will link to the old URL/version for both GM and Dealer users. This IVH version is for the stand-alone application and does not involve the IVH screens integrated into Global Warranty Management (GWM) at this time.

CUSTOMER

View Vehicle Summary

This screen allows IVH users to view the Summary of Vehicle Information, Field Actions, Service Information, Applicable Warranties, Transaction History, Service Contract(s) if applicable, Warranty Block, Branded Title information and OnStar and XM Radio information (if applicable).
