These are uniform charges which are calculated annually for each particular service and are available on request.

TO OUR SERVICE CUSTOMERS:

Our usual charges for labor are not based on actual mechanic's time, but are simply our prices for particular jobs. You will be charged no more than the estimated price approved by you. However, if we discover that different or actual repairs are indicated, you will be contacted for your advance approval of a revised estimate.

4. Customer states no articles of personal property have been left in the vehicle and dealer is not responsible for inspection thereof.
5. The repair of this vehicle and completion date are subject to the availability of labor and parts. The Dealership is not responsible for unavailability of parts or delays in parts shipment beyond the Dealership's control.
6. Due to the type of service requested some repairs must be sublet.

As-Is Warranty Disclaimer

The only warranties applying to this part(s) are those which may be offered by the manufacturer. The selling dealer hereby expressly disclaims all warranties, either express or implied, including any implied warranties of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of this part(s) and/or service. Buyer shall not be entitled to recover from the damages to property, damages for loss of use, loss of time, loss of profits, or income, or any other incidental damages.

NOTICE TO CUSTOMER REGARDING ENVIRONMENTAL COMPLIANCE CHARGES

We make a separate charge for the storage and disposal of toxic wastes. Rather than recover these costs by increasing our labor rates to all of our service customers, we make this charge only on those particular repairs or services which generate these wastes. These are uniform charges which are calculated annually for each particular service and are available on request.

TO OUR SERVICE CUSTOMERS:

Our usual charges for labor are not based on actual mechanic's time, but are simply our prices for particular jobs. You will be charged no more than the estimated price approved by you. However, if we discover that different or actual repairs are indicated, you will be contacted for your advance approval of a revised estimate.

ADDITIONAL TERMS & CONDITIONS

1. Our Dealership's usual charges for labor are not based on actual mechanic's time, but are simply our prices for particular jobs.
2. You will be charged no more than the estimated price approved by you. However, if we discover that different or additional repairs are necessary, you will be contacted for your advance approval of a revised estimate.
3. Customer is hereby notified that the vehicle and any of its contents are not insured or protected to the amount of the actual cash value thereof, or otherwise, against loss occasioned by theft, fire or vandalism while the property remains with the Dealership.
4. Customer states no articles of personal property have been left in the vehicle and dealer is not responsible for inspection thereof.
5. The repair of this vehicle and completion date are subject to the availability of labor and parts. The Dealership is not responsible for unavailability of parts or delays in parts shipment beyond the Dealership's control.
6. Due to the type of service requested some repairs must be subtle.
7. All labor and materials will be paid for in cash unless Dealer agrees to other payment arrangements in advance. Notice as used under PAYMENT TERMS on the front side hereof will be deemed to have been given upon deposit in the United States mail, postage prepaid, of written notification to that effect addressed to the customer at the address given on the front side hereof.
8. If the vehicle described herein is not called for within three (3) days after such notice is given, a daily storage fee will be charged, \$250.00 per day.
9. The Dealership is authorized to deliver the vehicle described herein or any of its contents to any person presenting this receipt.

10. In addition to any and all legal remedies available, I authorize the Dealership to have a lien on the vehicle described herein for all charges for repairs, including labor and parts, storage and/or towing, and to enforce such lien. The Dealership is hereby expressly authorized to sell said vehicle at public auction after giving a twenty (20) day written notice by certified mail to the legal owner, registered owner, and Department of Motor Vehicles of intent to do so. On the sale date, the vehicle shall be sold to the highest cash bidder and the proceeds of sale must be used first to satisfy the lien plus storage costs and costs incident to sale, and the balance shall be forwarded to the legal owner, or if none, to the registered owner, or if the address is unknown, it shall be forwarded to the Department of Motor Vehicles. Said expenses for sale shall also include a reasonable attorney's fee, which may be necessarily incurred.
11. If any such charges remain unpaid for thirty (30) days after such request for payment, The Dealership may also refer such charges to its attorneys for collection and the customer will pay a reasonable attorney's fee.
12. The Power of Attorney granted on the front of this Repair Order/Invoice shall be irrevocable and shall remain in effect for so long as there is an outstanding amount due under the Repair Order/Invoice.
13. Remanufactured and refurbished parts that meet manufacturer approved source part requirements may be installed at our discretion. Additional information is available upon request.
14. I authorize the retrieval of on-board data as needed to facilitate vehicle repair, as well as sharing that data with the vehicle manufacturer for diagnostic and research purposes.
15. Customer acknowledges, if a request for parts return was made before work commenced, that some Parts are Not Returnable due to Original Equipment Manufacturer requirements, some parts must be returned to factory. All parts are new unless otherwise specified.
