**Repurchase Approval, VIN:** [REDACTED]

Below is the preliminary estimate we prepared based upon the documentation you provided. In addition to repurchasing your vehicle, should you accept the option of a refund, General Motors is offering a \$500 Owner Loyalty Certificate that can be used towards the purchase of a new General Motors (Chevrolet, Buick, GMC or Cadillac) vehicle. The Owner Loyalty Certificate would be processed at the same time as the refund and is good for one year.

**Estimated Vehicle Repurchase Calculation**

*\*Less amount owed to your lender when applicable*

*\*Subsequent payments will be included in final repurchase calculation*

*\*Negative Equity will be reconciled with the lender*

*\*Based on original sales contract and will not reflect refinancing and other factors*

If you have expenses, you feel may be related to the repurchase (e.g., towing charges, rental fees, etc.), submit the receipts within five business days of receiving this letter. Submitting receipts does not guarantee that General Motors will provide reimbursement.

With the estimated repurchase funds (plus any compensable expenses for which you provide documentation), GM will directly pay the payoff balance owing to your lender so GM may receive clear title to the vehicle. You will receive the balance of funds after deducting the payoff amount owing to your lender.

If the total amount of any lien(s) happens to exceed the estimated repurchase (plus any compensable expenses for which you provide documentation), that means you owe more for the vehicle than the

amount for which GM is offering to repurchase it. We will advise you of that fact before any repurchase closing has been scheduled so that you may decide whether you want to proceed with the transaction.

You will have the opportunity to decide whether you want to proceed with the transaction after GM notifies you of which expenses, if any, it is willing to reimburse.

Please contact me by phone or email within the next ***five business days*** with your decision. If you choose to proceed, your case will be assigned to a specialized Repurchase Coordinator who will walk you through a detailed review of the repurchase calculations, explain the next steps in this process, and answer any questions you might have.

Sincerely,

General Motors
