Making Your Payments

In all payment channels your payment needs to be paid in U.S. dollars and drawn on or payable through a U.S. financial institution or the U.S. branch of a foreign financial institution. When you make a payment in our automated phone system you are authorizing us to withdraw funds as a one-time electronic funds transfer from your bank account. This payment cannot be canceled once you authorize it in the automated phone system. Payments made by regular U.S. Mail will be credited as of the day we receive them at the address on your payment coupon if received by 12:00 PM local time for that address and the payment is: (a) received Monday through Friday except for bank or legal holidays, (b) made by check or money order, (c) accompanied by the payment coupon and enclosed in the return envelope. Please allow five to seven (5-7) days for payments to reach the payment address and include your account number and name on the front of the check or money order. Do not send cash and do not staple, tape, or paper clip your payment to the payment coupon. Credit for payments made in any other manner may be delayed for up to five (5) days.

Late Charges

A late charge will be assessed if a payment is received after its due date, as permitted and according to the terms of your contract.

Paying Your Account Ahead

Payments are applied in accordance with the terms of your contract. If you want to pay ahead, you can request to do so by calling 1-800-336-6675. Please note that interest continues to accrue daily during this time.

You can also request a quote anytime through our 24-hour automated phone service by calling 1-800-336-6675. If you pay off by mail, please send it directly to the correct Payoff address above based upon the form of payment being provided and your preferred mailing option (regular or overnight). Please be sure to include your name and account number.
