The Service Charge covers or defrays some of Dealer's service department overhead costs, including, but not limited to, shop supplies, employee safety measures and training, and waste disposal and handling, many of which do not lend themselves to precise itemization or allocation. Not all repair or service transactions will cause Dealer to incur all of the costs defrayed by the Service Charge. The Service Charge may include Dealer profit. The Service Charge is not a government required fee.

I hereby acknowledge that a copy of your Privacy Policy has been made available to me and that I may access your Privacy Policy at www.hendrickprivacy.com/privacy_policy.

For the privacy of our staff and other customers, you hereby consent to deactivation of any audio or video recording devices in or on your vehicle.

Customer agrees that this Agreement includes all of the terms and conditions on the **front and back side hereof**, that this Agreement cancels and supersedes any prior agreement including oral agreements, and as of the date below comprises the entire agreement between Customer and Dealer relating to these repairs or other matters referred to on the front or back side of this document.
