Dear [REDACTED]

General Motors communicated to you on 11/05/2025 advising that your 2021 GMC Sierra 1500, VIN: [REDACTED] has been approved for repurchase.

We have not received confirmation that you wish to proceed with the repurchase of your vehicle based on the estimated repurchase calculation we provided. Our intention is to make the repurchase process as easy as possible, but action is required from you. If we do not hear back from you in the next ten (10) business days, we will close your case and assume you do not wish to act upon GM's offer to repurchase to your vehicle.

Sincerely,

[REDACTED]
