Payment is due in full at the time of service by cash, approved check, or major credit card. The dealership is not responsible for loss or damage to vehicles or personal items left in vehicles due to fire, theft, or any other cause beyond our control. Any warranties on parts or services are those provided by the manufacturer. The dealership expressly disclaims all warranties, express or implied, including any implied warranties of merchantability or fitness for a particular purpose. The dealership does not assume, nor authorize any other person to assume, any liability on its behalf in connection with the sale of parts or services. The customer shall not be entitled to recover any consequential, incidental, or special damages, including but not limited to loss of use, time, profits, income, or property damage.

REMIT PAYMENT TO:
