YOUR ACCOUNT MESSAGES (CONTINUED)

Reminder: To the extent they are accepted, purchases of cryptocurrency and other similar digital or virtual currency are treated as a cash advance with a cash advance fee and an annual percentage rate (APR) that may be higher than your purchase APR.

Your next AutoPay payment [REDACTED] will be deducted from your Pay From account and credited on your due date. If your due date falls on a Saturday, we'll credit your payment the Friday before.

Your AutoPay amount will be reduced by any payments or merchant credits that post to your account before we process your AutoPay payment. If the total of these payments and merchant credits is more than your set AutoPay amount, your AutoPay payment for that month will be zero.
