Local Addenda

For rentals originating in the state of California, the following will either replace or supplement the Additional Terms and Conditions:

The following is added to the introductory paragraph:

 **WARNING:** Operating a motor vehicle can expose you to chemicals including engine exhaust, carbon monoxide, phthalates, and lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize exposure, avoid breathing exhaust, do not idle the engine except as necessary, and assure adequate ventilation inside the car. For more information go to www.P65Warnings.ca.gov/passenger-vehicle

The following replaces the "Authorized Drivers" definition:

"Authorized Drivers" means (i) your spouse or domestic partner, as long as they have your permission, meet the minimum rental age, and hold a valid license and (ii) your employer or coworker, as long as they are actively engaged in business activity with you during the period the Vehicle is rented, meet the minimum rental age, and hold a valid license.

The following is added to the first paragraph of the "The Vehicle's Condition" section:

Warning: California Vehicle Code Section 10855 provides for the following: "If a person who has leased or rented a vehicle willfully and intentionally fails to return the vehicle to its owner within five days after the lease or rental agreement has expired, the person shall be presumed to have embezzled the vehicle."

The following replaces the last paragraph of the "What You May and May Not do With the Vehicle" section:

If you or AAD(s) continue to operate the Vehicle after we have terminated your right to do so, we may notify police the Vehicle has been embezzled as defined in Vehicle Code Section 10855. By entering into the Contract, you and AAD(s) release and discharge us from and indemnify, defend and hold us harmless against any liability arising from such notice. You also remain responsible for all charges, costs, taxes, fees and obligations as set forth in Section 2.
