## **SAFETY RECALL TO INSTALL A BRACKET ON YOUR VEHICLE'S RIGHT FRONT BRAKE HOSE**

Dear Cirrus, Stratus or Breeze Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

DaimlerChrysler Corporation has determined that a defect, which relates to motor vehicle safety, exists in some 2000 model year Chrysler Cirrus, Dodge Stratus and Plymouth Breeze vehicles.

***The problem is...***

The right front brake hose on your vehicle (identified on the enclosed form) may have an inadequately welded bracket. Separation of the bracket may cause the right front brake tube to crack and leak, resulting in a partial brake system loss and increased stopping distance. The increased stopping distance can cause an accident without warning.

***What DaimlerChrysler  
and your dealer will  
do...***

DaimlerChrysler will repair your vehicle free of charge (parts and labor). To do this, your dealer will install a bracket to secure the right front brake hose. The work will take less than ½ hour to complete. However, additional time may be necessary depending on how dealer appointments are scheduled and processed.

***What you must do to  
ensure your safety...***

- Simply contact your dealer right away to schedule a service appointment. Ask the dealer to hold the parts for your vehicle or to order them before your appointment.
- Bring the enclosed form with you to your dealer. It identifies the required service to the dealer.

***If you need help...***

If you have questions or concerns which the dealer is unable to resolve, please contact the DaimlerChrysler Customer Assistance Center at 1-800-853-1403. A representative will assist you. If you have already experienced the problem described above and have paid to have it repaired, you may send your original receipts and/or other adequate proof of payment to the following address for reimbursement: DaimlerChrysler Customer Assistance Center, P.O. Box 1040, St. Charles, MO 63302-1040, Attention: Recall Center.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, S.W., Washington, DC 20590, or call the toll-free Auto Safety Hotline at 1-800-424-9393. Washington, DC area residents may call 1-202-366-0123.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
