Dear Service Manager:

Enclosed is the following service publication:

**Campaign Responsibility Report for 2000-02 RL Brake Light Switch Recall Campaign:**

Of the 2000-02 RL vehicles reported as delivered to your dealership, those eligible for this campaign, **but not yet inspected/fixed**, are listed in the left-hand column. Under the column titled "UNIT STAT," there may be a two-letter code; a complete listing of these codes and their specific meaning can be found in Section 7 of your Dealers Operations Manual.

Please contact the owners and encourage them to schedule a repair appointment to have the work done free of charge.

Please destroy all prior reports received for this campaign.

If you have any questions, please contact your District Parts and Service Manager.

Sincerely,

**American Honda Motor Co., Inc.**  
**Acura Automobile Division**
