Re: Expansion of Recall # 03V-374 – Samsung Microwaves installed in
Georgie Boy Manufacturing, LLC Recreational Vehicles

Dear Mr. Person:

Georgie Boy Manufacturing, , LLC (Georgie Boy) has been notified by Samsung Electronics America, Inc. (Samsung) that Samsung has announced an expansion of its Safety Recall 03-E-004 involving microwave ovens that were installed in RVs sold in the US during the past 3 years. Their notification to us indicated the following:

“Samsung has determined that some of these microwave ovens may present a safety hazard due to a defective part that may cause them to begin operation unassisted and result in smoke or fire. The new models added to the recall are: MR1031WB, MR1032BB, MR1033SB, MR1351WB, MR1352BB. These microwaves were built by Samsung between May 2002 and July 2003 and installed in RVs sold during that time frame. These microwave ovens have a defective keypad, which we (Samsung) will replace free of charge as quickly as possible.”

In accordance with Federal Regulation 49 CFR Part 573.3, “Defect and Noncompliance Information Reports”, this letter is to serve as notification to NHTSA of our recognition of this expansion to a recall campaign by one of our suppliers. Georgie Boy filed a part 573 on the original recall notice we received from Samsung regarding these microwaves (ref. Safety Recall No. 03V-374) in October of 2003.

A total of 1433 Georgie Boy recreational vehicles are affected by this campaign.

The motorhomes models manufactured by Georgie Boy Manufacturing, LLC that contain the recalled Samsung microwaves are:

- Rebel
- Velocity
- Landau
- Cruise Master
- Pursuit
- Cruise Air

Samsung has requested, and we will supply them with, the vehicle owner contact information for Georgie Boy dealers and consumers that will need to be notified regarding this microwave recall. We understand that Samsung will be conducting the expanded owner notification campaign and will be forwarding all further required information to NHTSA as the remedy campaign progresses.

Should you have any additional questions or need additional information, please do not hesitate to contact me at (574) 825-8528.

Very Truly Yours,
