Re: ADDENDUM TO JULY 23, 2004 DEFECT INFORMATION REPORT

Dear Mr. Weinstein:

Pursuant to Part 573 of Title 49 of the Code of Federal Regulations, Volvo Cars of North America, LLC (Volvo) submits the following addendum that completes the Defect Information Report provided to NHTSA July 23, 2004. We are providing this information as soon as possible.

The Defect Information Report provided July 23, 2004 did not include the complete data for question #2. In order to complete the answer to question #2 the assembly plants, chassis numbers and inclusive dates of manufacture are provided below:

<u>Model</u>	<u>Chassis # Start</u>	<u>Production Date Start</u>	<u>Chassis # End</u>	<u>Production Date End</u>	<u>Assembly Plant</u>
854 MY1994 - 1997	163738	940510	409462	961209	Torslanda
854 MY1994 - 1997	100532	930708	408554	961206	Gent
854 MY1994 - 1997	271016	950821	397507	961122	Halifax
855 MY1994 - 1997	11813	930628	341975	961206	Gent
855 MY1994 - 1997	305179	960912	331423	961125	Halifax

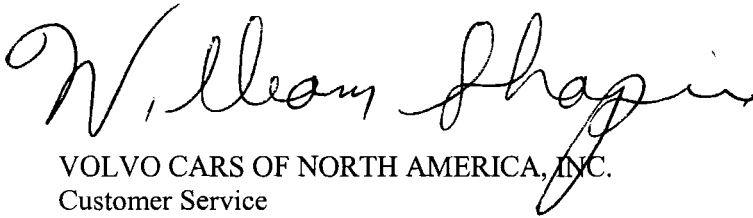

The recalled model population represents 100% of the total population assembled as defined above, for US vehicles located in the states specified.

The Defect Information Report provided to NHTSA July 23, 2004 did not include the complete data for question #4. In order to complete the answer to question #4 please refer to the following production start and end dates are provided below:

The production start date for this recall (reference chart above) was defined by the date that the affected fuel tanks were used in production. Every vehicle as of the production end-date for this recall (reference chart above) does not use one of the affected fuel tanks.

If you have any questions regarding this addendum please contact:
