This is an acknowledgment for this recall. A formal acknowledgment letter will be written only if we have additional comments or concerns.

This recall was the subject of a Preliminary Evaluation, PE04-041, conducted by the Office of Defects Investigation.

We have reviewed your proposed owner notification letter and it does not meet the requirements of Part 577.

- (1) In the third paragraph, please remove the word "may." This should read, "...which relates to motor vehicle safety exists in certain ...". This is a disclaimer according to the regulations.
- (2) In the "What is the problem?" paragraph, in the last sentence, please change the word "damage" to "puncture" and instead of "fuel spillage may occur" change it to read "cause a fuel leak."

As stated in Part 573.6, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. As stated in your report, owner notification is expected to begin during May or June 2004. Therefore, the first quarterly report will be due by July 30, 2004.
