**SUBJECT: 28 Autocar 2004 WX, WXL and WXR Class 8 models, manufactured from September 1, 2003 through September 30, 2004. The automatic brake system (ABS) brake sensor bracket may not have been installed correctly on the front axle and may interfere with the brake shoe return spring and cause the brakes not to release or may cause an unexpected front wheel lockup and possible loss of vehicles control. Autocar Recall No. A-0403.**

This is an acknowledgment for this recall. A formal acknowledgment letter will be written only if we have additional comments or concerns.

As stated in Part 573.6, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter **in which notification to purchasers occurs**. As stated in your report, the recall is expected to begin November 2004. Therefore, the first quarterly report will be due by January 30, 2005.
