SUBJECT: 416 Honda 2004-2005 Civic Si passenger vehicles. Some front seat belt anchors may have been installed with an incorrect washer, which could restrict anchor movement. As a result, the seat belt may be improperly positioned for certain occupants. Honda Recall No. P55.

This is an acknowledgment for this recall. A formal acknowledgment letter will be written only if we have additional comments or concerns.

Please provide us with a draft owner notification letter for our review before mailing to consumers.

As stated in Part 573.6, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter **in which notification to purchasers occurs**. As stated in your report, owner notification is expected to begin on December 6, 2004. Therefore, the first quarterly report will be due by January 30, 2005.
