SUBJECT: 92,577 Toyota 2000-2001 Celica passenger vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 108, "Lamps, Reflective Devices, And Associated Equipment." The luminous intensity of the daytime running lamp (DRL) will be modified.

This is an acknowledgment for this recall. A formal acknowledgment letter will be written only if we have additional comments or concerns.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please provide us with a draft owner notification letter for our review before mailing to consumers.

As stated in Part 573.6, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter **in which notification to purchasers occurs**. As stated in your report, the recall is expected to begin during March 2005. Therefore, the first quarterly report will be due by April 30, 2005.
