Dear Honda Dealer:

RE: 2003 FSC600 Fuel Tank Inspection SAFETY RECALL NOTICE

Service Bulletin FSC600#3, (April 2004) "2003 Silver Wing Fuel Tank Inspection"
AFFECTED UNITS: All 2003 model year Honda Silver Wing FSC600 Scooters

American Honda is conducting an important SAFETY RECALL on all 2003 FSC600 Silver Wing Scooters. The recall procedure inspects the fuel tank to confirm that no area has been stressed beyond its material limits and is leaking fuel. Should a problem be identified the fuel tank will be replaced.

Today's message is to alert you that all parts required to complete the above referenced recall are now available for open ordering using normal parts ordering procedures. A limit of one tank per order is in effect. Use:

P/N: 06171-MCT-306 Tank Set, Fuel H/C: 7750426
P/N: 06170-MGT-000 Fuel Tank Install Set H/C: 7754070

Please be sure to immediately submit a warranty claim for all FSC600 Scooters completed under this action.

If you have any further questions beyond those addressed here, please contact either American Honda's Technina or your District Service Manager.

Thank you for your cooperation.
