INVESTIGATION

Subject: 1999-2003 Nissan Frontier/Xterra Fuel-Sending Unit Voluntary Safety Recall Campaign

Attention - Dealer Principals, Parts and Service Managers

******* Update to 05/17 and 6/23 Nissan Net Messages *******

The purpose of this Nissan Net message is to provide additional information related to the parts ordering process for this campaign. See below for additional details.

******* Parts Ordering *******

If parts other than P/N 25060-4S425 or KY140-9Z400 are required, they can be ordered using the normal parts ordering process.

Please note that P/N 25060-4S425 (Fuel Sending Unit Kit) is used only on vehicles produced prior to 9/1/1999. Approximately 10% of the affected vehicles in the Salt states (see page 2 of TSB04-062 for a list of the Salt states) and less than 1% in the non-Salt states will require this part.

Only the campaign repair in the non-Salt states requires the Protective Coating. P/N KY140-9Z400 can be used for up to 40 vehicles and should be ordered only as needed.

Please use the special Fuel Sending Unit Parts Order Form to order P/N 25060-4S425 or KY140-9Z400. The completed form can be faxed to (310) 771-2626 or e-mailed to campaign.parts@nissan-usa.com. A copy of the form is available on NNAnet.com and is located under My Documents in the Parts/Campaign folder.

Any orders that do not appear to be consistent with the expected usage stated above will not be filled. You will receive a message asking you to review your order and to confirm the items and quantities required. A Fuel Sending Unit Parts Usage Chart will be provided to assist you. A copy of the Fuel Sending Unit Parts Usage Chart is also available on NNAnet.com and is located under My Documents in the Parts/Campaign folder.

If you still need to order these parts after reviewing the Parts Usage Chart, please resubmit your order. If applicable, please include a brief explanation if any unique requirements you may have (for example, your dealership is in a non-Salt state bordering a Salt state or vice versa) so your order can be processed promptly.

Your continued support of the safety and customer satisfaction of Nissan Frontier and Xterra owners is appreciated.
