Subject: 2004 Nissan Maxima SkyView Roof Panel Voluntary Safety Recall Campaign

Attention - Dealer Principals, Parts and Service Managers

***** Parts Packaging *****

The purpose of this Nissan Net message is to inform you of a packaging change for the SkyView Roof Panels (P/N 79700-7Y005). Clips have been added to ensure the rubber strip remains attached to the glass during transit. Please note that any roof panels you may currently have in inventory remain usable.

For orders placed during the week of 1/24 – 1/28, you may experience a slight delay as the Nissan Parts Distribution Centers process the new inventory.

If you have any additional questions related to this campaign, please contact your Dealer Parts and Service Manager (DPSM).

Your continued support of the safety and customer satisfaction of Nissan Maxima owners is appreciated.
