Dear Mr. Stichter:

We have completed a review of the quarterly status reports for the first quarter of 2004. According to our records, Newmar Corporation (Newmar) indicated that it would mail owner notification letters concerning safety recall 04V-037 on January 26, 2004. Therefore, Newmar's first quarterly report was due in this office on or before April 30, 2004, however, to date, we have not received this report.

If notification did occur on or about January 26, 2004, and Newmar believes that it sent in the quarterly report, please provide a copy of this report and a copy of the final version of Newmar's owner notification letter that it mailed to its customers. If notification did not occur in this time frame, please submit a supplemental Defect Information Report explaining why notification did not occur when indicated. Please provide your response by July 6, 2004.

You may fax these documents to Mrs. Kelly Schuler at (202) 366-7882. If you have any questions concerning this matter, please contact Kelly at (202) 366-5227.

Sincerely,

151
