Dear Ms. Baker:

We have completed a review of the quarterly status reports for the first quarter of 2004. According to our records, Keystone RV Company (Keystone RV) mailed notification letters to its customers concerning "Pin Box" welds on certain recreation vehicles on February 23, 2004. Therefore, Keystone RV's first quarterly report was due in this office on or before April 30, 2004, however, to date, we have not received this report.

If Keystone RV believes that it sent in this report, please provide a copy. If your company believes that no reports are required, please explain the reason. Please provide your response by July 6, 2004.

You may fax the report to Mrs. Kelly Schuler at (202) 366-7882. If you have any questions concerning this matter, please contact Kelly at (202) 366-5227.

Sincerely,

/s/
