Dear Ms. Hutchens:

We have completed a review of the quarterly status reports for the first quarter of 2004. According to our records, Tracker Marine mailed notification letters to its customers concerning certain boat trailers being recalled under three campaign numbers 04V-209, 04V-210, and 04V-211 on January 29 and 30, 2004. Therefore, Tracker Marine's first quarterly reports were due in this office on or before April 30, 2004, however, to date, we have not received these reports.

If Tracker Marine believes that it sent in these reports, please provide copies. If your company believes that no reports are required, please explain the reason. Please provide your response by July 6, 2004.

Also, manufacturers are required to submit a draft owner notification letter to this office for our review and comment prior to mailing to customers.

You may fax a copy of these reports to Mrs. Kelly Schuler at (202) 366-7882. If you have any questions concerning this matter, please contact Kelly at (202) 366-5227.

Sincerely,

/s/
