Re: 2nd Quarter Reports for 04V-024 and 04V-136

MESSAGE:

Dear Mrs. Schuler:

I am in receipt of a letter from George Pearson which states that you never received the subject reports. Attached please find copies of the reports which were sent to you on September 28, 2004 for the second quarter on NHTSA campaign numbers 04V-024 and 04V-136. I do not know the reason they were never received by you, however, if there is a more exact address than the one I have on the attached letters (possible with a room number?) could you please let me know. I could also e-mail them to you if you would like to provide me with your e-mail address. Mine is hrinelli@jaguar.com.

Thank you for your understanding.

Best regards,

Helen Rinelli
