National Highway Traffic Safety Administration
Office of Defects Investigation
Mr. George Person
Chief Recall Management Division

Subject: Recall # 04V-141 3rd Quarter 04 reporting.

Dear Mr. Person,

This is in response to your dated 1/11/05 regarding the status of the 3rd quarter 2004 report for Recall # 04V-141. Mr. Fior, who was our Tread Act and NHTSA coordinator resigned from Alfa on 08/20/04. In this transition no report was submitted for the 3rd quarter on this recall. We sincerely apologize for this clerical error and have included the following 4th quarter 2004 results:

Here's our status on the subject recall as of the 4th quarter 2004.

- Number of vehicles identified by Alfa as potentially affected – 81
- Number of vehicles inspected to date – 75
- Number currently considered unreachable – 2

As you can see we have been doing our best to resolve this recall and again apologize for our error in not reporting for 3rd quarter 2004.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Ed Campolo", written over a horizontal line.
