● **Comments:** Ms. Schuler, attached please find an updated version of our third quarter recall completion report that was submitted October 26, 2004. Recall campaign 04V312 was included in the report but for some reason, we only included those vehicles that had been inspected and repaired, the other categories were unintentionally left blank. The attached has been updated to include the other categories.

We are currently completing our report for the fourth quarter of 2004 and will have it to you prior to the end of the month. If you have any questions or need additional information, you can reach me at 714-372-6362 or email me at kreeves@mmsa.com.

Best Regards!
