RE: Product Safety Recalls R3120420 and S3026120

Dear Mr. Person,

In response to your letters dated November 17, 2005 please see attached Mitsubishi Fuso Truck of America's (MFTA) proposed renotification schedule for the above captioned Product Safety Recalls. Additionally, please be advised that due to the low response rate from owners of older model trucks, MFTA has initiated an effort to telephonically contact those owners that have open recalls to urge them to have the recalls completed. We began this practice on the week of October 10, 2005. If you have any questions or require additional information, please do not hesitate to contact me.

Best Regards,

William P. Mohr, Director, Service Operations
