**SAFETY BULLETIN - Awning Control Module  
04-001**

Dear Alfa See Ya Gold Motorhome Owner:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

Alfa has determined that a defect which relates to motor vehicle safety exists in certain 2004 Alfa Gold Motorhomes starting with VIN 71475 through 72122. It is possible that the Main Awning Control Module may have wiring reversed. In the event this condition exists it is possible that the main awning may extend while the vehicle is in motion, if the inverter and / or the generator is on.

Your vehicle, identified on the enclosed form, is affected. For this reason we ask that you arrange for service to correct the condition without delay. The service and required parts as described in this letter will be provided free of charge.

To correct this condition, your dealer will inspect the awning control module. If the wiring is correct no further action will be required. In the event the wiring is incorrect the repair facility will move the proper wires to the correct position.

The work will take about 1.0 hour to complete. However, additional time may be required depending on how dealer appointments are scheduled and processed.

To obtain this free service, contact your dealer as soon as possible to schedule an appointment.

If you have any problem obtaining the needed repair, please contact the Alfa customer service at 1-800-373-3372. An Alfa representative will arrange for prompt attention to your vehicle.

We regret any inconvenience in which this action may cause you. However, we are concerned about your safety. If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW, Washington, DC 20590, or call 1-888-DASH-2-DOT (1-888-327-4236). (Washington DC residents use 1-202-366-0123).

Thank you for attention to this important matter.
