RE: IMPORTANT SAFETY RECALL NOTIFICATION SR-04-004

Dear Mitsubishi Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Reason For Notice: Mitsubishi Motors North America, Inc. has determined that the Mitsubishi Genuine Accessory trailer hitch wiring harness (part number ACUC3YH003 or AEND4YH003) that may have been installed by or purchased from your dealer has a defect. If the electrical current draw from the trailer lamp circuit becomes too high, the wiring harness may overheat and possibly result in a fire. If you do not have this trailer hitch wiring harness, disregard this notice.

What you should do: If you have this trailer hitch wiring harness on your vehicle, do not use the wiring harness on your vehicle (by towing a trailer) until the recall repair is complete. The recall repair is available at Mitsubishi dealers approximately 45 days after the recall. This letter is still in force until you should contact your Authorized Mitsubishi Motor Dealer for the recall repair.

What your dealer will do: The dealer will remove the defective wiring harness and replace it with a new one, free of charge.

How long will it take? The recall repair is approximately 30 minutes. The dealer may need your vehicle for a short period of time due to service scheduling issues, but every effort will be made to minimize your inconvenience.

If you have any questions, your vehicle repaired promptly and at no charge, please inform us by calling: Mitsubishi Customer Relations Department 888-MITEL-3004 (888-648-7820). Hours: Monday - Saturday 7 a.m. to 10 p.m. (Central Standard Time)
