VEHICLE SAFETY DEFECT SERVICE BULLETIN

Recall Campaign No. 04V224000

Monaco File # R04010

Re: Safety Recall - Aqua-Hot Fuel Line

Dear Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Monaco Coach Corporation ("Monaco") has decided that a defect which relates to motor vehicle safety exists in certain model year *2004 Holiday Rambler Imperial and Monaco Windsor* motorhomes. According to our information, your motorhome identified on the enclosed form is affected. *Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.*

During the manufacturing process, the affected motorhomes had a water line (Thermoid valve-flex/GS) installed to the Aqua-Hot Heating System unit ("Aqua-Hot") when fuel line (SAE-30R7) should have been installed. The incorrect line may allow seepage of fuel and vapors into the bay area of your motorhome, creating the potential for an explosion or fire and resulting personal injury.

The remedy will involve the installation of the correct fuel line (SAE-30R7) to the Aqua-Hot and will be completed at no cost to you. If you had the correct fuel line to the Aqua-Hot installed prior to receiving this letter, you may be eligible for reimbursement by Monaco for your remedy costs.

You may contact your Monaco or Holiday Rambler dealer to arrange for a service appointment. Instructions for making this correction have been sent to your dealer and parts are readily available.

The labor time necessary to perform this recall campaign is approximately .75 hour. Please ask your dealer if you wish to know how much additional time may be needed to schedule and process your motorhome.

The enclosed Recall Notification Form identifies your motorhome and will serve as an authorization and claim form to have the correction made. Presentation of this form to your dealer will assist in making the necessary correction in the shortest possible time. If you have sold or traded your motorhome, or for any reason cannot have this recall service performed, please let us know by completing the postage paid reply card and returning it to us promptly.

Your Monaco or Holiday Rambler dealer is best equipped to provide service to ensure your motorhome is corrected as promptly as possible. If, however, you take your motorhome to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please call our toll free number of (800) 685-6545.

If, after contacting your dealer, and the recall assistance service line, you believe Monaco Coach Corporation has failed or has been unable to remedy the noncompliance without charge or there has been an unreasonable delay in securing the remedy, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW, Washington, DC 20590 or call the toll free Auto Safety Hotline at (888) 327-4236.

We apologize for this inconvenience. However, we have taken this action in the interest of your safety and continued satisfaction with your motorhome.

Sincerely,

Chuck R. Zucker
